

ISAT-2009
Illinois Standards Achievement Test

Dear Parent or Guardian:

We will be giving your child state-required achievement tests beginning March 4th through the 10th with make-up dates being the 11, 12th and the 13th. Students in grades 6 and 8 will be tested in reading, writing, and mathematics. Students in grade 7 will be tested in reading, mathematics, and science. The tests are a part of the Illinois Standards Achievement Test (ISAT) program, and are being given to all eligible students. The results of state tests will be reported to you on the School Report Card in the fall. We will review state test results along with other information to help us improve our school program. In addition, you will receive information about your child's performance on the state tests he or she took.

You can help your child do his/her best on the test by:

1. making sure, if possible, that your child attends school on the days of testing;
2. making sure your child gets a good night's sleep the night before testing;
3. providing breakfast on the mornings of testing;
4. reminding your child to ask questions if he/she does not understand the test directions;
5. letting your child know that you have confidence in his/her ability to do his/her best; and
6. advising your child not to worry about the test – just do his/her best.

We look forward to sharing the ISAT results with you this fall.

Sincerely,

Doug Nelson, Principal
Aledo Junior High
