What is *Lifetime Impressions*?
Children form lifetime impressions from the people and experiences in their lives.

YOU are the first and most influential teacher in your child's life.

Lifetime Impressions provides resources, encouragement, tools and research based ideas to help families provide for the healthy development of their children. Parents have access to information to help their children enter school with confidence, ready to learn and better prepared for life-long success.

We cancel activities when Aledo Schools cancel.

FREE to Aledo School District Families!

The Aledo School District provides all programs, services and informational materials free through grant funds awarded by the Illinois State Board of Education.

Enhanced programming is made possible by funding assistance of local churches, businesses, agencies and parent fund raisers.
