

ZAP (Zeros Aren't Permitted)

Aledo Jr. High will hold a lunch/recess time study hall for students who have not completed assignments on time. The program is called **ZAP**. This program is to provide motivation for students to complete their assignments on time and to meet their academic responsibilities. When a student does not turn in an assignment or has an incomplete assignment, he/she will be required to attend a ZAP session during their lunch period the following school day. Students will eat their lunch in the Commons and then report immediately to the ZAP room to complete assignments, and then work on homework or read an Accelerated Reader book. Students must turn in the “zapped” homework by 3:30 PM that day. This is not an activity or club, but rather a strategy for ensuring student success.

Student Responsibilities:

1. Turn in your assignments on time, every time.
2. If an assignment is not turned in on time, you are ZAPPED. Mark your planner for that assignment as ZAP. You will miss the next school day's recess. You will go to the ZAP room to work on that assignment.
3. If you turn this assignment in before your ZAP time, you still go to ZAP, but you take other homework or a library book.
4. Work on that assignment during ZAP and turn it in by 3:30 that day or you will be ZAPPED again.
5. If you turn in your assignment in the morning of the day you are to attend ZAP, you need to get your planner initialed by the teacher, but you are still to go to ZAP.
6. Any time a teacher feels effort was not applied on an assignment you can be ZAPPED. The teacher will let you know.
